Each year GWRRA Chapter L has a fall color ride. It is kind of like a "farewell" to our riding year and a reminder that soon we too, must face the fact that we will probably have to actually do work around our house. Like raking leaves, or worse ... pay someone to do it!

I do like to look at the leaves as long as someone else is responsible for raking them. We hope you enjoy the ride and at least there is consolation in the fact that if you are riding, you are not raking! Thanks for riding along with Chapter "L" ----- Jim Pennington
