

GWRRRA's Leadership Training Division is an integral branch of the organization, providing learning opportunities to enhance your membership experience. Certified Instructors present LTD seminars at chapter gatherings, rallies, or other requested events. If you are excited about GWRRRA, desire to help members better themselves both in chapter life and real life, and enjoy speaking in front of a friendly audience, we have an opportunity for you!

Spread the word! There will be a Leadership Training Instructor Class offered on Saturday, [April 19](#), 2008 in Galena, Ohio. Region Trainer Paul Brosher will present the all-day class, lunch will be available, and we can take up to 10 participants. There is pre-work to be read, so we need your commitment so that the information can be sent to you.

Contact Sheryl Wyscarver at : [buckeyeltd@embarqmail.com](mailto:buckeyeltd@embarqmail.com) if you are interested. If you are not available for this date, we will make every effort to schedule another class in the Fall, after riding season.

In addition to completing the class, you will be observed presenting a seminar at a GWRRRA function before becoming certified. You'll become part of a dynamic team, and with that, we expect lots of laughter, ideas, dedication, and FUN in promoting training in Ohio and elsewhere with our second family.

Thank you for your interest!!
